^Ø The CO₂ emissions test figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. For further information on CO₂ and fuel performance please refer to our Fuel Consumption and CO₂ section.

† Recommended 'On the road' price includes first year road fund licence, DVLA first registration fee and an estimated £25 for number plates.

* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 2020/21 tax year. P11D value is the sum of Recommended price + VAT & Number plate charge (£25). If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £310 for Petrol and £320 for Diesel) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £145).

^Ø The CO₂ emissions test figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. For further information on CO₂ and fuel performance please refer to our Fuel Consumption and CO₂ section.

† Recommended 'On the road' price includes first year road fund licence, DVLA first registration fee and an estimated £25 for number plates.

* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 2020/21 tax year. P11D value is the sum of Recommended price + VAT & Number plate charge (£25). If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £310 for Petrol and £320 for Diesel) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £145).

Load Compartment Mat, reversible, Estate with mini spare wheel or tyre repair kit	2230218	£78.00			
Load Compartment Mat, reversible with logo, Estate	2269101	£78.79			

For more information about Ford Accessories, or to view the wider accessories range visit www.ford-accessories.co.uk

Items ordered as an option will be fitted in the factory. If ordered as an accessory, items will be fitted at the dealership.

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.

Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Recommended Retail Prices do not include fitting unless otherwise stated. Fitment of accessories may have an impact on your vehicle's fuel consumption. Please refer to your Ford Dealer for fitted prices.

FOCUS FUEL CONSUMPTION & CO2

The test used to establish fuel consumption and CO2 figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the published CO2 figures will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

The table below shows the fuel consumption (WLTP) figures for each available engine on the Ford Focus. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.

The figures shown are for comparability purposes: only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

Engine	Fuel Type	Available On	Euro Emissions	Transmission	Drive	Maximum Power PS (KW)	Torque Nm (with overboost)	Combined Fuel Consumption (WLTP)				Co2 Emissions (WLTP)	
								Lowest Performing (MPG) ⁰⁰	Highest Performing (MPG) ⁰⁰	Lowest Performing (L/100km) ⁰⁰	Highest Performing (L/100km) ⁰⁰	Lowest Performing (Co2) ⁰⁰	Highest Performing (Co2) ⁰⁰

Notes

⁰⁰Ford test figures.

⁰⁰The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

The chart above shows the Bands and the VED which will be levied (for vehicles registered from 1st April 2020 onwards).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £325) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £150).

FORD PROTECT

Every new Ford car is protected by a 3 year/60,000 mile Ford Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and throughout Europe.

Ford Protect Classic 4th/5th Year Extended Warranties

If you plan on keeping your car for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 mile warranty to either 4 years/80,000 miles or 5 years/100,000 miles.

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect Classic extended warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Service Plan

You can also upgrade to a Ford Protect Service Plan giving you the option of scheduled services and extended Ford Assistance.

Features:

- Scheduled Servicing: covers scheduled servicing recommended by Ford, including associated parts and labour, for the number of services applicable to your plan; replacement brakefluid (every other year); bodywork and paint check (every other year); air conditioning check (at third year only where applicable)
- Extended Ford Assistance: roadside assistance in the UK and throughout Europe
- Vehicle Hire; for up to 7 days
- The Ford Protect Service Plan can be purchased any time before the first service is due

Ford Protect Service Plan Plus (High Mileage Users Only)

You may choose to upgrade to a Ford Protect Service Plan Plus giving you the benefits of the Service Plan and also includes a Wear and Tear Plan.

Features:

- All items covered within the Service Plan and in addition:
Brake Pads/shoes/discs; Clutch friction plate; Shock absorbers; Silencers; Wiper Blades; Bulbs
- **Exclusions:** Tyres; Interior trims; glass, seat covers; pads; frames; springs; headrests, seat belts; sheet metals, water ingress; body seals and aerials
- Ford Protect Service Plan Plus can be purchased any time up until the vehicle's first date of registration

Notes and Conditions

- The length of your plan (and number of services on Service Plan and Service Plan Plus) applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- It is a condition of Ford Protect Service Plan and Ford Protect Service Plan Plus that your vehicle is serviced by an Authorised Ford Repairer in line with the recommended service schedules.
- Please contact your nearest Ford dealer for information on service intervals
- In addition your Ford Service History Log must be kept up-to-date
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty, Service Plan or Service Plan Plus and their associated Terms and Conditions or alternatively call Ford Protect on 03702 416726, Option 2, Option 2 or visit www.ford.co.uk

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within six months, and in any event, as soon as your vehicle is available. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road (OTR) prices and Recommended Retail Prices (RRP), please contact your Ford dealer for final sale prices.

This price list is effective from 1st April 2020 and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
